Material Safety Data Sheet

Issuing Date: Oct 01, 2016
Revision Date: Oct 01, 2018
Version 1

Section I – Identification

Product               Natural Lip Balm
Product ID            2601
Product Type          Bulk
Recommended Use       Body Care product
Manufacturer          Aquatech Skin Care Inc
                        81 Kelfield Street Unit 5
                        Toronto, Ontario
                        M9W 5A3
                        +1416-532-2004

Emergency Telephone   Transportation (24 Hrs)
                        CHEMTREC – 1-800-424-9300
Section 2 – Hazard Identification

EMERGENCY OVERVIEW:

This is a personal care or cosmetic product that is safe for consumers and other users when used as directed.

OSHA regulatory status: This product is classified as non hazardous in accordance to OSHA standard 29 CFR 1910-1200

Avoid prolonged contact with eyes.

Section 3 – Composition/Ingredient information

Section 4 – First Aid Measures

Inhalation – Not usually necessary under normal use. However if issue occurs remove to fresh air.

Ingestion- Induce vomiting if large amounts are ingested. Drink plenty of water or milk to dilute.
Skin Contact - None under normal use. For limited use on broken skin. If irritated, remove contaminated clothing and wash with soap and water (alternative to water could be milk or yogurt)

Eye Contact – Avoid contact with eyes. If contact: Flush with water for about 15 minutes. Consult with physician if irritation persists.

### Section 5 – Fire Fighting measures

**Extinguishing media**: Carbon Dioxide, Foam, Dry Chemical

**Special protective equipment**: None

**Special Fire Fighting Procedures/Unusual Fire and Explosion Hazards**: None Known. Use self-contained breathing apparatus and protective clothing.

### Section 6 – Accidental Release measures

If material should be spilled or released: eliminate flames and sources of ignition, wipe up small spills with a cloth, larger spills use porous absorbent.

Small spills can be disposed off in normal household trash. Big spills have to be prevented from entering drains. Product should be pretreated or diluted before disposal.

**Personal precautions**: None under normal conditions

### Section 7 – Handling and Storage

Do not freeze or store at temperatures exceeding 100°F for good product stability

Handle according to good safety procedures avoiding unnecessary exposure. Store in full closed containers away from heat, light and sources of ignition. Store in cool area.

### Section 8 – Exposure Controls/Personal protection

**Respiratory Protection (Specify Type)**: Not usually necessary, but approved respirator can be used if desired.

**Ventilation**: Localized Exhaust can be used to remove vapours
Protective Gloves: None required

Eye Protection: None required, but avoid contact with eyes

Other Protective Clothing or Equipment: None required

Other: For external use only. Avoid contact with eyes. If condition worsens or symptoms persist for more than 7 days or clear up and occur again within a few days, discontinue use and consult a physician. May cause an allergic reaction in some individuals with sensitive skin; test on small area before use. If severe irritation occurs, discontinue use immediately and consult a physician. Do not apply to wounds or damaged skin. Do not bandage tightly. If you are pregnant or nursing a baby, seek the advice of a health professional before using this product. Keep out of the reach of children. In case of accidental ingestion, contact a Poison Control Center or physician immediately.

### Section 9 – Physical and Chemical Properties

</table>

Incompatibility (Materials to Avoid): Elevated temperatures above 60°C, avoid strong oxidizing agents.

Hazardous Decomposition or By-products: Burning produces Carbon Monoxide and Carbon Dioxide.

Hazardous Polymerization Will Not Occur under normal use.
Section 11 – Toxicological information

Route(s) of Entry
Inhalation: No known effect
Skin: No known effect
Ingestion: No known effect

Health Hazards (Acute and Chronic): No chronic effect known or expected.
Carcinogenicity No known effect
IARC Monographs No known effect
OSHA Regulated- No

Signs and Symptoms of Exposure Mild skin irritation, moderate eye irritation.

Medical Conditions Generally Aggravated by Exposure: None Known

Section 12 – Ecological Information

This product is not hazardous to the environment when used under normal conditions.

Section 13 – Disposal Considerations

Waste Disposal Method In accordance with all local, state, & federal regulations. Rinse containers before recycling or discarding.

Section 14 – Transport information

TRANSPORT INFORMATION

Handle according to good safety procedures avoiding unnecessary exposure. store in full closed containers away from heat, light and sources of ignition. store in cool area.

DOT Classification (bulk/mass product): not regulated
IATA Classification (bulk/mass product): not regulated
Other: N/A

Section 15 - Regulatory information
Refer to product label and ingredient listing for directions and precautions.

While the information contained within this MSDS is presented in good faith and believed to be accurate, it is provided for your guidance only.

Handle according to good safety procedures avoiding unnecessary exposure. Store in full closed containers away from heat, light and sources of ignition. Store in cool area.

The information contained in this material safety data sheet was obtained from current and reliable sources. This data is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for use of this product and to assume liability for loss, injury, damage or expense resulting from improper use of this product.
